Annex 1 Local Authorities and Case Studies

It is anticipated that the super sites will have an interest in all four clusters. Many of their case studies span different clusters, so they are listed separately. Note that all allocations to projects are subject to review as the programme develops.

'Supersite' Case studies

Proposing LA	Case study	Linkages to projects	
		Laboratory for:	Comparator for
Bristol	Integrated strategy	A, B, C, D,	
Bristol	Targets and indicators	A, C, G,	
Bristol	Modelling	A, B, C, G,	
Bristol	Stakeholder involvement in the LTP	A,	
Bristol	Showcase bus routes	A, B, E,	C
Merseytravel PTE	Model development and option generation	A, B, G,	F
Merseytravel PTE	Objective one developments	A, B, D	E
Merseytravel PTE	Organisational linkages	A, D	
Surrey	Housing development and transport strategy	A, B, C, D, E,	
Surrey	Developing better techniques to enable LTPs to enhance the quality of life	A, B, C, G,	F

Cluster 1: Analytical support tools

Proposing LA	Case study	Linkages to projects	
		Laboratory for:	Comparator for
Nottingham	Modelling workplace parking levy	A, F, G	
Nottingham	Modelling soft policies	A, F, G	
Nottingham	NATA applications for sustainable transport projects	A, G	
Stockport	Town centre model	A, F	G
Strathclyde	Public transport option analysis through transport and land use models	A, B, F	C, G
York	Decision support for network management in York	A, B, F	
Newcastle	Tyne and Wear strategic model*	A	F, G

*Subject to final confirmation

Cluster 2: Decision-making processes and techniques

Proposing LA	Case study	Linkages to projects	
		Laboratory for:	Comparator for
Newcastle	Internal management	A, D	
Yorkshire and Humber Assembly	Monitoring of the regional transport strategy	A, C	G
Bath	Conflicts between heritage and sustainable transport	A	D, G
Stockport	Community transport plans	A	C, D,

Cluster 3: Development

Proposing LA	Case study	Linkages to projects	
		Laboratory for:	Comparator for
Sheffield	Redevelopment of Sheffield city centre	A	B, E, G
Sheffield	Redevelopment and the M1	A	B, D, E
Bath	Western Riverside Development	A	B, C, E
Bath	Long term strategy for Bath	A	B, D
Essex	Integrated transport strategy for Chelmsford	A, B, C, E,	G
York	York Central	A	B, D, E
Newcastle	Regional infrastructure priorities	A	B, C, D, E
Leeds	Aire Valley Leeds (AVL) regeneration project	A	B, E

Cluster 4: Sustainable modes

Proposing LA	Case study	Linkages to projects	
		Laboratory for:	Comparator for
West Yorkshire PTE	Extension of strategic high quality rapid public transport in West Yorkshire	A	B, C, E, G
South Yorks PTE	Quality buses	A, B, E	
Newcastle	Superbus routes	A, B	E
Newcastle	Cycling strategy	A, B, E	G
Blackpool	Walking strategy	A, B, E	G
Strathclyde	Management of Glasgow airport rail link and cross city rail link	A, E	B, D
